NOTICE of ROCKY FLATS PUBLIC MEETING

Proposed Plan Public Meeting
Wednesday, July 19, 2006
6 p.m. to 9 p.m.

Jefferson County Fairgrounds Green Mountain Conference
Room
15200 W. 6th Ave. Golden CO 80401

The U.S. Department of Energy Rocky Flats Project Office, the U.S. Environment Protection Agency, and the Colorado Department of Public Health and Environment will host a public meeting on the Proposed Plan for the cleanup of the Rocky Flats Environmental Technology Site. The Proposed Plan and supporting documents are part of the regulatory process for the site cleanup required under federal Superfund environmental cleanup regulations.

This is the first of two informal public meetings the DOE will conduct to explain the Proposed Plan for the final remedy in the cleanup of the Rocky Flats Site that will be held during the 60-day formal comment period.

A second informational public meeting will be held on Aug. 8, 2006 in Westminster and a formal public hearing to take verbal and written comments will be held in Arvada on Aug. 31, 2006.

Representatives from the three agencies will discuss and answer questions regarding the Proposed Plan and how the conclusions and data in the Remedial Investigation/Feasibility Study/Comprehensive Risk Assessment (RI/FS/CRA) support the preferred alternative for the final remedy.

The electronic version of the Proposed Plan and RI/FS/CRA, locations where hard copies may be reviewed and other information on public involvement is available at www.rfets.gov.
